SECTION 2. In conducting such study, the Tennessee advisory commission on intergovernmental relations shall specifically examine the funding mechanisms and the adequacy of the funding for local emergency communications districts and their respective boards, as well as the state emergency communications board.

SECTION 3. Such study shall also evaluate the feasibility and necessity of:

(1) Increasing emergency telephone service charges on telephone land lines and wireless telecommunications services; and

(2) Revising the statutory assessment formula for funding emergency telephone services.

SECTION 4. The Tennessee advisory commission on intergovernmental relations shall complete such study relative to emergency telephone service (911) and report its findings and recommendations, including any necessary legislation, to the general assembly no later than February 1, 2006.
